MISSION STATEMENT

The Guam Police Department exists to serve the community by protecting life and property; by preventing crime; by enforcing the laws; and by maintaining order for all citizens.

Central to our mission are the values that guide our work and decisions, and help us contribute to the quality of life on Guam.

Our values are characteristics or qualities of worth. They are non-negotiable. Although we may need to balance them, we will never ignore them for the sake of expediency or personal preferences.

We hold our values constantly before us to teach and remind us, and the community we serve, of our ideals. They are the foundation on which our policies, goals, and operations are built.

In fulfilling our mission, we need the support of citizens, elected representatives and island officials in order to provide the quality of service our values commit us to providing.

We, the men and women of the Guam Police Department, value: Human Life, Integrity, Laws and Constitution, Excellence, Accountability, Cooperation, Problem Solving, and Ourselves.

ABOUT THE GUAM POLICE DEPARTMENT

Guam’s first local policing effort was established on August 14, 1905 under the control of the United States Navy. The first policemen were natives of Guam who were members of the Insular Patrol Force, a component of the Guam Insular Guard. The U.S. Navy later augmented the police force with members of the U.S. Marines stationed on Guam.

In 1952, the Department of Public Safety was established as a carryover from the U.S. Government-controlled Guam Insular Guard. The 1950 Organic Act of Guam paved the way for Guam’s self-government, hence, the formulation of the Government of Guam. The Department of Public Safety, one of the entities established under the Government of Guam, was entrusted the authority to enforce the laws of the territory and federal statutes applicable to Guam. Furthermore, the Department was responsible for the administration and operation of the former Guam Penitentiary and Fire Division.

The enactment of Public Law 17-78 on March 13, 1985, led to the dissolution of the Department of Public Safety into two independent departments—the Guam Police Department and the Guam Fire Department.

The Guam Police Department, today, is 370 personnel strong. The Department will continue to grow, adapt, and evolve as we provide the highest level of service and protection to our residents and the visitors of our island. We strive to uphold our oath to the community, ***“TO SERVE AND PROTECT”***.

FY 2015 SPECIAL FUNDS

One of the key features in the FY 2014 GPD budget is the \$800,000.00 allotted for the recruitment and hiring of 16 Police Officer trainees. In 2014 the Guam Police department also received an additional 8 new patrol cars for its patrol fleet.

In 2014 the Recreational Boating Safety grant allowed for the purchase of a new 32foot rigid hull boat, and 2 new jet skis with rescue sleds. One of the Jet skis is currently assigned to the Beach patrol Unit of the Tamuning Precinct. The program also bought a new heavy duty truck to tow the boat and the new boat was outfitted with 2 new 300 HP (horsepower engines). In 2014 the RBS program also funded Boating Accident Investigators Course, a Tactical Boating Course and added 2 new instructors for the Water Survival training.

In an effort to build community partnerships and enhance ensure the safety of visitors to our island, The Visitor Safety Officer Program was implemented in Tumon’s hotel row area. The program is funded by the Guam Visitors Bureau and is staffed by security personnel from the G4S security company. The goal is to improve overall safety for tourists and reduce the incidents of crimes against tourists by promoting

the presence of security personnel along with increased GPD patrol to protect our islands tourists. The campaign focused on both visitors in and around the Tumon area to include increased water patrols by the G4S staff along with the Tamuning Precinct Bach patrol Unit.

In an effort to reduce violent crime and increase police presence in the community the Governor through executive order 2014 – 02 created the Criminal Justice Strike Force. This multi-agency Task Force comprised of law enforcement officers from both the Executive and Judicial branches of government is headed by the Guam Police department. The Strike Force responds to calls for police service, assist patrol operations, conducts security checks and conducts suppression operations to thwart violent crimes such as robberies.

and inspections of small stores to prevent and deter public consumption of alcohol and to deter drunk driving by conducting DUI checkpoints on the islands major roadways.

Another ongoing initiative of the Guam Police Department is Operation Dragon. The primary purpose and scope of this operation is to deter public drunkenness and drunk driving. Operation Dragon conducts random patrols

The Guam Police department will continue to hire additional officers in FY2015 and continue to grow its CAPE and CVPR programs to augment the personnel shortages.
