## **INTERNAL AFFAIRS**

### **IA Case # 11-090 Operating vehicles**

On August 22, 2011, Chief of Police initiated a complaint of "***Operating Vehicles***" against a police officer.

The officer in this case was involved in an auto accident in a private parking lot while operating an official vehicle. The accident was investigated and it was determined that the officer was found in violation of the accident.

Internal Affairs investigated the incident and the officer did not question the findings of the Internal Affairs Investigator or the preliminary officer who investigated the accident.

The allege violation of Operating Vehicle was sustained against the officer.
